1. Perused the order dated 18.1.2007 passed in main Writ petition No.444/2007. The petitioners are the students desiring admission to the post graduate course of MDS. They were not allowed to appear for CAT examination by the respondents on the ground that the college from which they completed BDS was not approved or recognized by the Dental Council of India for a period of one year. In this backdrop, having found that the issue is a triable issue, this Court permitted the petitioners to appear for CAT examination of 2007

and probably desire that prior to the final admission, the final hearing of the petition can be completed and therefore, listed this matter for final hearing on 12.2.2007. On 12.2.2007 the final hearing could not proceed. However, meanwhile, the petitioners have completed their CAT examination and they are declared successful candidates. However, they were not allowed the preference form by the respondents so as to get admission in a particular discipline of MDS course and therefore, the petitioners have approached this Court. We are aware that probably petitioners may complete MDS, pending the disposal of this petition and therefore, petition is required to be heard finally. Therefore, the respondents are hereby directed to give the preference form to the petitioners and we further direct that the preference form filled in by the petitioners may be accepted. However, we place the matter for final disposal on premptorily basis, high on board, on 11.6.2007. Civil Application is disposed off.
